

WILLIMANTIC

Norwich Bulletin, Willimantic Office, 23 Church St. Telephone 105.

What Is Going On Tonight.

Company B, Third Regiment, C. S. G., drills at state armory.
St. Jean Baptist society meets at 7 Valley street.
Willimantic Woman's club meets at 803 Main street.
Violet Rebecca Lodge, No. 57, I. O. O. F., meets at 57 Main street.

With continued cold weather the prospects of the citizens of Willimantic being supplied with ice at a reasonable rate grow more and more encouraging. Most of the local dealers in the frozen substance have already begun their harvesting and the cakes measure about 12 inches through on the average. In some places not far from the city men who have been cutting fine ice 14 inches thick and as clear as a bell. Mr. Ayer of this city was among the first to start harvesting at his place on the cove on the Willimantic river and at present has several hundred tons of ice stored in his houses. Mr. Ayer has also been busy cutting at his place about half a mile up the river and finds the ice is from 12 to 14 inches thick.

Work was started at the municipal sheds at the pumping station Monday and a force of men will be engaged from this time until the city houses are loaded to capacity. The delay in getting started at the station was due to trouble with the machinery but this was remedied and recently a test was made and everything was found to be in condition for the annual harvest. Nelson Adams has been engaged by the water committee of the common council, as superintendent of the job and he will run the work until the 11,000 tons of ice necessary for home consumption have been stored in the city houses.

The wages being paid to the men working at the various ponds about the city average the same as paid during the previous year. It is not through the kindness of the city but because the price of the ice has been higher than was paid by local people before. In this city gave out and it became necessary to send out of town for the supply. A 1919 Chevrolet automobile engine was used in one of the city streets and was taken to the police station.

The city of Willimantic held their January meeting at the office in the town building Monday. Business transacted was limited simply to voting the payment of bills contracted for the month of December. The board of public health met for December has been announced as follows: New cases 25; deaths 46; cases dismissed, 21; total deaths 19. The board of health also held a meeting at the city hall Monday. The board of health also held a meeting at the city hall Monday. The board of health also held a meeting at the city hall Monday.

The silent policeman at the corner

CONVENIENT!

If Constipated, Bilious or Headachy, take "Cascarets."

Cascarets never gripe, sicken or inconvenience one like Salt, Oil, Calomel or harsh Pills. Cascarets are a pleasant and a safe remedy for constipation. They do not irritate the bowels, but gently stimulate the action of the bowels, and thus produce a natural and healthy movement. Cascarets are a pleasant and a safe remedy for constipation. They do not irritate the bowels, but gently stimulate the action of the bowels, and thus produce a natural and healthy movement.

THE H. C. MURRAY CO.

the trip there to extinguish the blaze. The men remained at the fire for over half an hour and used some 10 gallons of chemical. It is thought that the fire was the result of forced heating with the use of wood as a fuel. Many of the local families have been using wood for heating this winter and the unusual number of fires has been due to this fact.

THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

What It Is and How It Increases Weight, Strength and Nerve Force In Many Instances

SHOULD BE PRESCRIBED BY EVERY DOCTOR AND USED IN EVERY HOSPITAL
Says Editor of "Physicians' Who's Who."

Take plain bitro-phosphate is the advice of these physicians to thin, delicate, nervous people who lack vigor, energy and nerve force, and there seems to be ample proof of the efficacy of this preparation in the recommendation. Moreover, if we judge from the common preparations and treatments which are conditionally being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft, curved lines of health and beauty, there are evidently thousands of men and women who feel they are not getting the results they desire.

Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate. It is a natural product and is sold by Lee & Osmond and most all druggists under a guarantee of satisfaction or money back. By feeding

the nerves directly and by supplying the body cells with the necessary phosphoric food elements, bitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Clinical tests made in St. Catherine's Hospital, N. Y. City, showed that 23 patients gained in weight 23 and 27 pounds, respectively, through the administration of organic phosphate; both patients claim they have not felt as strong and well for the past twelve years.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear. Dark eyes, sought to brighten and pale cheeks glow with the bloom of perfect health.

Physicians and hospitals everywhere are now recognizing its merits by its use in every internal medicine. Dr. Frederick Kelle, M. D., editor of New York "Physicians' Who's Who," says: "Bitro-phosphate should be prescribed

by every doctor and used in every hospital to increase strength and nerve force and to enrich the blood."

Joseph D. Harrigan, former visiting specialist to North Eastern Dispensary, says: "Let those who are weak, thin, nervous, anemic, or run-down, take a natural unadulterated substance such as bitro-phosphate and you will soon see some astonishing results in the increase of nerve energy, strength of body and mind and power of endurance."

Bitro-phosphate is made entirely of the organic phosphate compound referred to in the National Standard Dispensary as being an excellent tonic and nerve and a preparation which has recently acquired considerable reputation in the treatment of neuritis, rheumatism, the standard of excellence, strength and purity of its substance is beyond question for every bitro-phosphate tablet is manufactured in strict accordance with the U. S. Pharmacopoeia test requirements. Bitro-phosphate is therefore not a patent medicine and should not be confused with any of the secret nostrums, so-called tonics or widely advertised "cure-alls."

CAUTION: Although bitro-phosphate is intended to relieve such distressing general weakness, owing to its tendency to increase weight, it should not be used by those who are already obese.

ANNOUNCEMENTS
We buy all kinds raw furs. Church Bros.

Breed Theatre.
It seems rather "painting the lily" to praise a Douglas Fairbanks feature, nevertheless that "fortuitous" feat was accomplished unintentionally by audiences yesterday at the Breed. When the Clouds Roll By is certainly one of the best of the Fairbanks pictures, it is not altogether the best. The Fairbanks name, flashed onto the screen was enough to bring applause at the initial showing, and the charmingly beautiful Katharine Crawford drew forth another round. This was the smiling star paid in advance a meed of approval that was fully earned.

Hard common sense is not generally prevalent in the Fairbanks pictures which owe much of their charm to a sort of sentimentalism. Katharine Crawford is responsible underlines. When the Clouds Roll By, which begins amusingly with the same idea that was used in Another Interior the first season of the Washington Square Players, Daniel Boone Brown, a care-free young bachelor, calls rather a mixed dinner following which we are shown the inside of his digestive apparatus, with the ill-assorted provender paraded with the ill-assorted provender.

By ending the film with a happy ending, the picture is a happy and enjoyable and foot-loose nonsense. When the Clouds Roll By is Fairbanks at his best, and that is what slugs people are wont to call "considerable pleasure" with whom the young woman elopes, adventurously followed by Daniel, and there is a burst of a flood, with the young woman and Daniel floating about on top of a house and reaching the quired minister perched upon his navigatory church. Then there is a happy ending and the film is the most enjoyable and foot-loose nonsense.
